We're delighted to welcome Daniele Noris to the UK for our Truffle Training day on Saturday, 29 November. An Italian living in Belgium, Daniele has been successfully taking part in truffle trials in Europe, including the annual working trial run by the Club Italiano Lagotto at its Raduno in October each year.

Daniele will be running our training sessions today, with support from Louise Ferguson and Jude Bullen. Two years ago Daniele, Jude and Louise collaborated on creating the presentation that you will see on the day. You will also have the opportunity to see Daniele demonstrate the working ability of his top truffle dog, Fata.

We're sure you will have enjoyable day's training, as well as learning a lot about truffles, truffle dogs and truffle hunting!

Timing for the day:

- 10.00 a.m.** Arrivals for a prompt 10.30 start – Tea, coffee and biscuits. Please note that the hall has recently had a new floor put down so dogs can only come into the Hall if they are kept in crates.
- 10.30 a.m.** 'TRUFFLES, TRUFFLE DOGS AND TRUFFLE HUNTING' – the first part of the presentation given by Daniele Noris. Our presentation will be broken down into sections, interspersed with hands-on training outside led by Daniele.
- a.m.** Training – The morning session will cover the basics of training your dog to hunt truffles through to more intermediate level training.
- Lunch** A light lunch of soup, bread, truffle butter and cheese.
- p.m.** Training ready for truffle searching and preparation for tests/trials.
- We're delighted that this location offers hedge/tree borders, moving on into woodland paths and woodland as we progress through the day.
- 4.30 p.m.** Head back to the Village Hall for refreshments, the opportunity to chat about the day and to hear about the experiences of existing truffle hunters before an early truffle risotto and salad supper.

Please bring:

- Plenty of high value treats, or a favourite toy, to use as a reward.
- A longer lead than usual may be useful (not an extending lead); a harness can also be useful if your dog pulls or in areas where a long line could get caught up. We will have a few available.
- We'll be walking on grass and into woodland/woodland paths. Please wear clothes/footwear suitable for the forecasted weather, and bring dog towels to dry your dog(s) if necessary.
- A crate for your dog for use inside the Hall.

Please see attached Booking Form with costs and payment details, together with details of the location. We look forward to seeing you there!
