The Lagotto Romagnolo Club Of Great Britain

Single Breed Open Show

26th October 2024.

I would like to thank the LRCGB for such a warm reception. There was a real spirit of friendliness throughout the show. The hospitality was most appreciated. I would also like to thank my stewards for a job well done; stewards make the show run smoothly and are often forgotten. The dogs were presented in lovely condition. Some were better muscled than others which improves movement and consequently found themselves in the top placings. Thank you to those who gave me a lovely entry it was much appreciated, especially those who travelled from afar.

Veteran Dog (1 Entry – 1 Absent)

Puppy Dog (2 Entries – 1 Absent)

1st Webb and Ferguson's Tigre Di Casa Ghini. Super young man with a great future. Super head moderately broad with the slightly convex skull. With medial frontal furrow evident. Correct ratio between occiput to stop and stop to nose. Strong wedge shaped muzzle, Large protruding nose with wide open nostrils. Large wide powerful jaws, with lips forming semi-circle. Clean eyes fairly large and nearly round. Ears clean and in correct proportion to head being triangular with slightly rounded tips and set slightly above the level of the eyes. Correct clean dentition, Neck muscular and powerful oval in section slightly arched with no dewlap, into muscular well laid back shoulders, Forearms straight with oval bone with wrists following the line and fine boned, Chest well developed reaching down to elbows, narrow in front broadening behind the elbows into slight tuck up. Hindquarters well developed muscle, good bend to stifles with broad hocks and angulation without exaggeration. Feet compact and strong with curved nails and well developed webbing. Tail carried correctly when standing and on the move. Super coat which was woolly, thick with a rough texture in ring shaped curls and with visible waterproof undercoat with guard hairs. Young man with classic eyebrows whiskers and beard. Movement was free moving with plenty of drive once he settled. **BPIS**

Junior Dog (4 Entries – 2 Absent)

1st Webb and Ferguson's Tigre Di Casa Ghini.

2nd James's Clamerkin Brown Onyx Young dog who didn't appear to be enjoying himself on the day, nice head moderately broad with the slightly convex skull. Correct ratio between occiput to stop and stop to nose. Large protruding nose with wide open nostrils onto wedge shaped muzzle. Powerful jaws, wide with lips forming semi-circle. Fairly large and nearly round clean eyes. Ears triangular with slightly rounded tips, set slightly above the level of the eyes. Neck without dewlap, oval in section, muscular and slightly arched into well laid back shoulders. Forearms straight with oval bone having fairly close fitting elbows. Chest well developed reaching down to elbows broadening behind into slight tuck up. Hindquarters muscular, good bend to stifles with broad hocks and angulation without exaggeration. Feet compact and strong with curved nails and well developed webbing. Unfortunately carried tail tucked up when standing and on the move. Good coat which was woolly, thick with a rough texture in ring shaped curls and with visible waterproof undercoat. Classic eyebrows whiskers and beard evident. Movement was free moving with drive, but tail carriage compromised overall presentation whilst moving.

Novice Dog (1 Entry)

1st James's Clamerkin Brown Onyx

Post Graduate Dog (2 Entries)

1st Willott's Arcticbreeze On Vacation Another quality young man with a great future. Lovely head moderately broad with slightly convex skull. With medial frontal furrow evident. Correct ratio between occiput to stop and stop to nose. Slight stop evident. Strong wedge shaped muzzle, Nasal bridge straight with large protruding nose with wide open nostrils. Large powerful wide jaws, with lips forming semi-circle. Clean eyes fairly large and nearly round. Ears clean and in correct proportion to head being triangular with slightly rounded tips and set slightly above the level of the

eyes. Correct clean dentition, Neck muscular and powerful oval in section slightly arched with no dewlap, into muscular well laid back shoulders, Forearms straight with oval bone with wrists following the line and fine boned, Chest well developed reaching down to elbows, narrow in front broadening behind the elbows into slight tuck up. Hindquarters well developed muscle, good bend to stifles good with broad hocks and angulation without exaggeration. Feet compact and strong with curved nails and well developed webbing almost round with tight well arched toes. Tail set on and carried correctly when standing and on the move. Super coat which was woolly, thick with a rough texture in ring shaped curls and with visible waterproof undercoat with guard hairs. Eyebrows whiskers and beard all evident. Movement was free moving with plenty of drive. **RBD**

2nd Snowdon and Nelson's Rozebottel's Mario Tronti (Imp Nld) Nice dog with pleasing head, moderately broad with the slightly convex skull, flattening at occiput with medial frontal furrow evident. Correct ratio between occiput to stop and stop to nose. Large protruding nose with wide open nostrils onto wedge shaped muzzle. Powerful wide jaws, with lips forming semi-circle. Fairly large and nearly round clean eyes. Ears triangular with slightly rounded tips, set slightly above the level of the eyes. Neck oval in section, muscular and slightly arched without dewlap, into well laid back shoulders. Forearms straight with oval bone with fairly close fitting elbows. Chest reaching down to elbows broadening behind into slight tuck up. Hindquarters quite muscular, good bend to stifles with broad hocks and angulation without exaggeration. Tail set on and carried correctly. Feet compact and strong with curved nails and well developed webbing. Good woolly coat, thick with a rough texture in ring shaped curls and with visible waterproof undercoat with guard hairs. Classic eyebrows whiskers and beard evident. Movement was free moving, not quite the drive of 1.

Limit Dog (1 Entry – 1 Absent)

Open Dog

1st Ferguson's Truffalusa November Moon From Mizani What a show stopper, super dog in hard muscular condition. Super head moderately broad with the slightly convex skull. With medial frontal furrow evident. Correct ratio between occiput to stop and stop to nose. Slight stop evident Strong wedge shaped muzzle, Large protruding nose with wide open nostrils. Large wide powerful jaws, with lips forming semi-circle. Clean eyes fairly large and nearly round. Ears clean and in correct proportion to head being triangular with slightly rounded tips and set slightly above the level of the eyes. Correct clean dentition, Neck muscular and powerful oval in section slightly arched with no dewlap, into muscular well laid back shoulders, Forearms straight with oval bone with wrists following the line and fine boned, having fairly close fitting elbows. Chest well developed reaching down to elbows, narrow in front broadening behind the elbows into slight tuck up. Hindquarters very well developed muscle, good bend to stifles with broad hocks and angulation without exaggeration. Upper thigh well developed and long. Feet compact and strong with curved nails and well developed webbing. Tail carried correctly when standing and on the move. Super coat which was woolly, thick with a rough texture in ring shaped curls and with visible waterproof undercoat with guard hairs. Classic eyebrows whiskers and beard. Movement was free moving with plenty of drive. Owned the ring. Pleased to give him **BD and BIS**

Veteran Bitch (1Entry)
